

# Mary Ripma

I won the 2022 Challenge Blocks and made 17 of them into a three Block by four block quilt with five blocks on the back.

Toni MacAuliffe quilted it with a sea turtle pattern.

The 18th block with little shells on it will be a pillow (still under construction).

Laura Barnett

A few years ago, I decided to tackle the red and cream scraps. I made too many blocks for my quilt, so made a few extra and made a quilt for Hospice and in keeping with my "leave no scraps behind" thinking, I made a mini.
