

# QUICK CRAZY QUILT BLOCK EMBELLISHED WITH EMBROIDERY STITCHES

**Class Objective: Make a crazy quilt block with a themed fabric print as your focus.** To complete the block, you will look for pieces of fabrics among my huge fabric stash that you want to use in your block and that will go with your theme. As you are gathering the fabrics, you may also want to look for other embellishment items you might want to use --ribbon, lace, cord, trim, braids, buttons, charms, sequins and found objects. While you are at it, select a couple of embroidery threads (floss) you want to use on your block. **YOU ARE NOW READY TO HAVE SOME FUN—WE ONLY HAVE TWO HOURS!**

## **Crazy Quilt Block Kit – Cost \$20.00, includes:**

- 1 – 12 x 12” muslin block
- 1 – 12 x 12” Pellon Shape Flex used to stabilize your block before embellishing
- 1 – 6” block of a Themed fabric piece (there will be lots of variety for you to choose)
- 1 – Embroidery needles – size 5 & 7 and whatever embroidery floss you need
- Whatever fabric pieces\*\* you will need to finish your 12” crazy block
- Whatever embellishment items\*\* you would like to enhance your 12” crazy themed block

## **You need to bring to class:**

- Small embroidery scissors and fabric scissors
- Neutral color thread for sewing pieces of fabrics to the muslin block
- Regular sewing needle, pins & a pin cushion
- Your lunch & a beverage

\*\*You will choose all your fabric pieces from my huge stash. All I ask is that once you cut out a piece that you need, you return any large scraps back to the pile for others to use. If you think that you want to make more blocks and will need a certain amount of one fabric to help, bring all the blocks together, we can figure out the cost for any extra materials you wish to purchase. This includes any embellishment items, as well.

**Note:** if you are signed up for the Beading embroidery class, you may want to leave room on this block to add beading stitches you will learn from the next class.
