

Workshop Title: Fast Piecing with Seminole Techniques
Description: Technique for making bands and quilting units
Level: Beginning and Intermediate or Advanced
Sewing Machine used: Yes

Students will be creating units that are made from long strips, and then sewn together, cut, and remade into a Seminole pattern. The strips will be suitable to be used in a small quilt, wall hanging, or garment. Please note: this class will focus on Seminole techniques, as opposed to Seminole piecing, and is suitable for experienced beginners, intermediate and advanced sewers.

A sewing machine and supplies are required.

Seminole piecing originated from the Seminole patchwork used in the clothing created by Seminole Indians
