Featured Artist: Susan Else

Susan's wondrous 3D sculptures will be on display all weekend in the Crosetti Bldg.

Susan treats cloth not as a flat surface but as a wild flexible skin for three-dimensional objects. Her work has developed in tandem with the art quilt movement, but she is one of the few artists making figurative sculpture in this medium. Her recent work often incorporates sound, light, and motors. Using cloth to create an

Greetings & Welcome to the 2023 Quilt Show of the Pajaro Valley Quilt Association

The talented members of PVQA invite you to lose yourself in the beauty and whimsy of our 45th annual Quilt Show, "Through the Looking Glass." This year's show includes an "Antique Quilt and Road Show" lecture, a display of 3D fabric sculptures, interesting vendors, bed turning, wearable art exhibit, live quilt auction, demonstrations of various quilting and needlework techniques, challenge quilt and block displays, a chance to win our delightful Opportunity Quilt, "Topsy Tea and Tasty Cakes", over 300 quilts made by our members, the ever-popular Bargain Garden and several other exhibits and experiences.

As Alice said, "When I used to read fairy tales, I fancied that kind of thing never happened, and now here I am in the middle of one." Our hope is that you enjoy your trip "down the rabbit hole" to the wonderland of quilting!

Iris Frank, PVQA President

Cont. from pg. 1 alternate universe, and the resulting work is full of contradictions: it is whimsical, edgy, mundane, surreal, and engaging, all at once. Each piece tells a story, but the narrative is always open to interpretation. The power and beauty of the patterned cloth surface play off the form and content of the work, and the result is a dynamic seesaw of meanings and possibilities.

About PVQA

The Pajaro Valley Quilt Association has been an active and progressive voice in the art of quilt-making for 45 years. Some of us are traditional quilters using time-honored patterns and methods, while many others use tools and techniques that were unknown to our quilting ancestors.

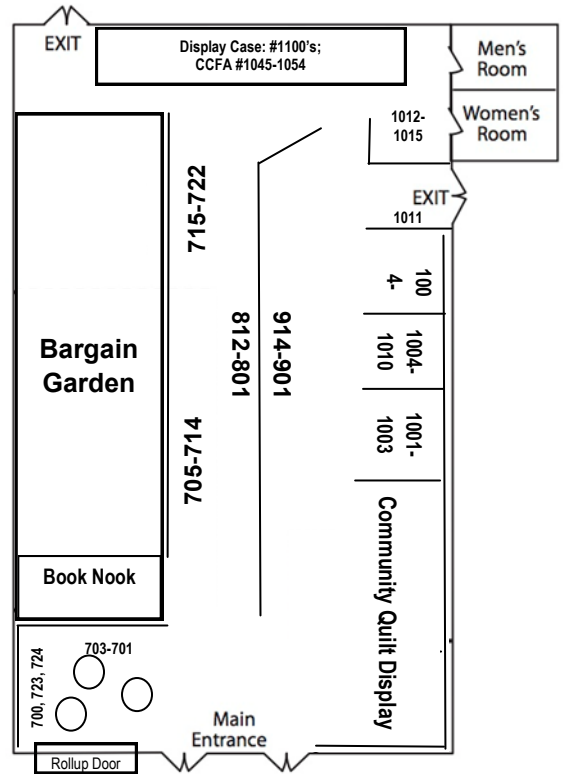

Our guild offers workshops, speakers and teachers at our monthly meetings. We are currently holding some of our meetings and our workshops via Zoom, and some in person. Our general meetings are held at 7 pm on the 2nd Monday of each month. We welcome you to join us, listen to a speaker and attend one of our workshops. Lifelong friends are made through our guild.

We also encourage new members to join a small quilt group. Some of our groups are still meeting on Zoom. Others have resumed meeting in person.

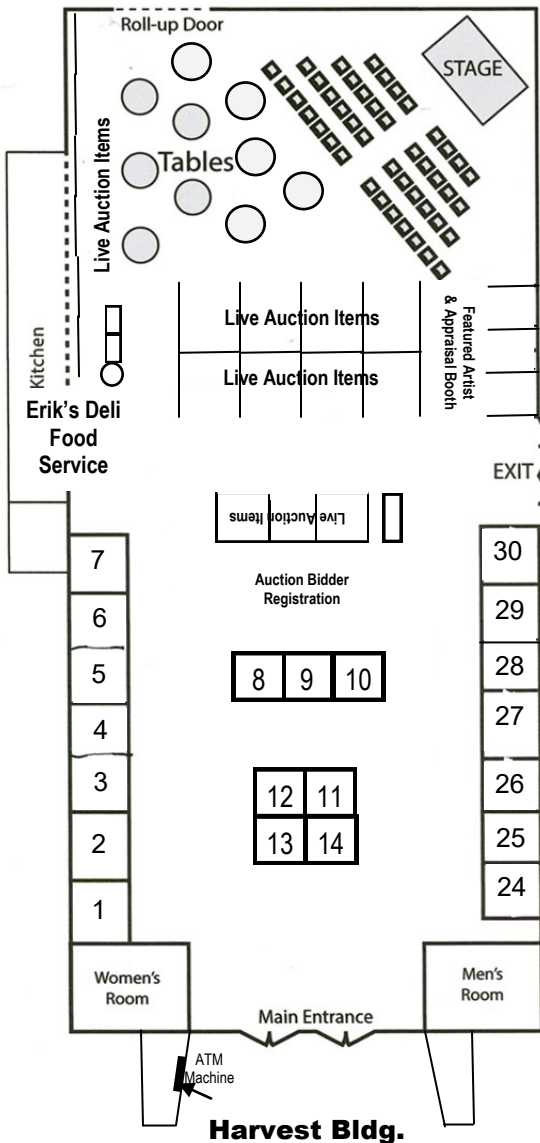

PVQA is a non-profit organization, and proceeds from this annual show support many community outreach projects.

Thank you for your support of PVQA by attending this show. We hope you enjoy our exhibits, vendors, activities and demonstrations this weekend. Celebrate the art of quilt-making and the preservation of quilts and quilt history with us.

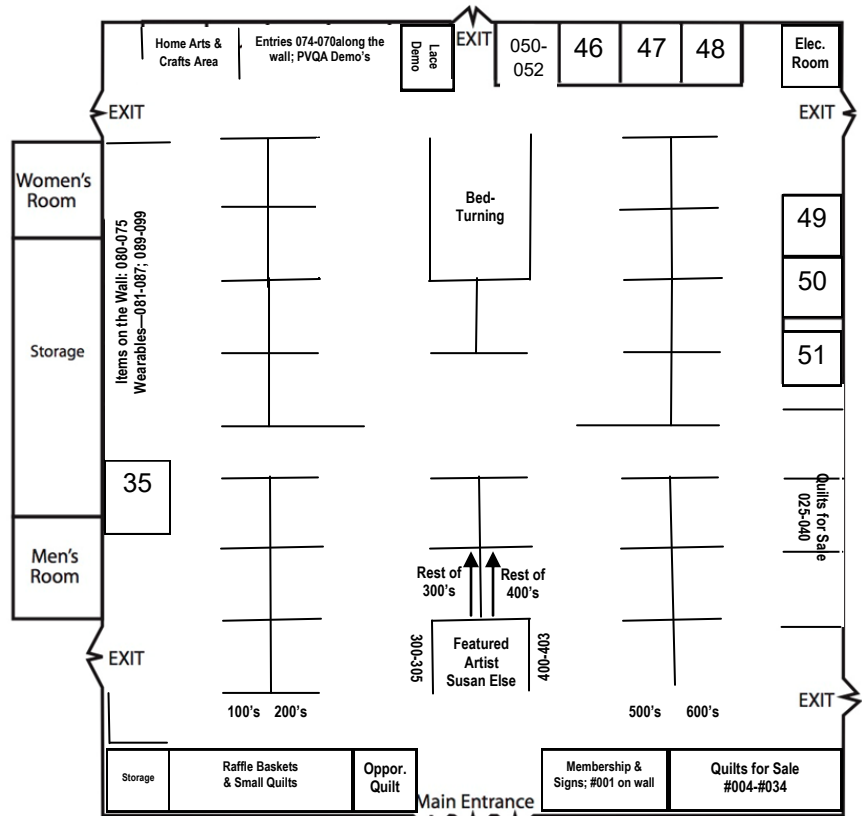

For more information about the guild, see our website at pvqa.org.
