

Block from 2022-23 Opportunity Quilt, ***Tipsy Tea and Tasty Cakes***, made and donated by the Pine Needlers, quilted by Martine Zaun, applique patterns by Nancy H. Barrett. Used with permission.

### Call for Proposals—2023-24 PVQA Opportunity Quilt Design

Now that the delightful 2022-23 Opportunity Quilt, ***Tipsy Tea and Tasty Cakes***, has been unveiled, it's time to begin determining the one for 2023-24! Designs are to be presented at the July Board meeting and will be voted on at the August Board meeting.

Guidelines for Submitting a Design to the Board are as follows:

There are no specific requirements for style or size. Designers should feel free to present anything they think will make a saleable Opportunity Quilt. Designers need to prepare the following to present a design:

- 1) A sample block using fabrics in the proposed color scheme. The fabrics don't have to be exactly what will be used in the Opportunity Quilt.
- 2) Block instructions to be handed out to the membership, if the quilt will be a group quilt.
- 3) A drawing showing what the completed quilt will look like (block placement, sashing, borders, etc.).
- 4) Dimensions of the finished quilt. 5)

Quilting design suggestions.

A design will not be considered if the above items are not presented. If there is only one design submitted, that will be the design selected. The Board will work with the designer to make any changes which might be necessary so the design meets the requirements for a saleable Opportunity Quilt. Designers are expected to perform the duties of the Opportunity Quilt Design Coordinator and see the quilt through to completion.

For the remainder of the PVQA Opportunity Quilt Guidelines, please see the PVQA website, [PVQA.org](http://PVQA.org). The Guidelines are located in the PVQA Policy Manual beneath the About PVQA pull-down tab.
